NYU AI Safety Association

CO-HOSTED WITH

Columbia's AI Alignment Club

LIVE VIRTUAL Q&A WITH

Joe Benton

Former Anthropic Scalable Oversight Research Lead

METR

ANTHROPIC

AISI AI SECURITY INSTITUTE

An inside look at AI safety research.

TUESDAY · NOVEMBER 10, 2026

7:45–9:00 PM

Silver Center

31 Washington Pl, Room 120

New York, NY 10003

In-person attendance only

Open to all members of the NYU community with a valid ID.

Free to attend · Pizza and refreshments provided

Joe Benton previously led the scalable oversight research team at Anthropic. He is now joining METR to increase transparency around the risks from AI systems. Joe was also the research lead for the Anthropic Fellows program and helped set up the UK Frontier AI Taskforce (now the UK AI Security Institute)

Stay in the loop.
